

Regional Greenhouse Gas Initiative, Inc. 2010 Conflict of Interest Disclosure Questionnaire

The purpose of this questionnaire is to determine any significant personal interests of Regional Greenhouse Gas Initiative, Inc. (the "Corporation") Board Members, Officers, Committee Members or Employees. It is understood that individuals serving with the Corporation may have community or personal interests that may relate to matters arising in the course of their performance of official responsibilities. This form is intended to identify those interests and provide assurance that conflicts of interest will not impair fair and impartial Corporation actions. The Corporation Board Members, Officers, Committee Members and Employees should, whenever possible, avoid conflicts of interest and, where they do occur, make them clearly evident.

In answering questions, please disclose not only your own direct interests but also any indirect or beneficial interests which could arise through a related party. A "related party" is defined as one of the following: (1) members of the Board Member, Officer, Committee Member or Employee's immediate family (including parents, children, spouse, or domestic partner); (2) any estate, trust, custodianship, guardianship, etc. in which the Board Member, Officer, Committee Member or Employee, or any member of her or his immediate family, has a present or vested future beneficial interest; and (3) any corporation or entity (for-profit or nonprofit) in which the Board Member, Officer, Committee Member or Employee or any member of her or his immediate family, (i) is a partner, director, officer, key employee or beneficial owner of more than 5% of the voting interests or (ii) is a member or has any interest if such corporation or entity is a recipient of goods or services from or provider of goods or services to the Corporation.
