A Regional Greenhouse Gas Initiative (RGGI) regional stakeholder meeting will be held at the New York State Museum Theater, Empire State Plaza, Albany, New York, beginning at 10:30 a.m., Wednesday, November 7, 2007.

The primary purpose of the meeting will be to allow the research team led by the University of Virginia and Resources for the Future to present their Phase-II findings and for agency staff to hear stakeholder comment on the draft report of that research and auction design issues. The agenda for the meeting, the draft Phase-II auction research report, and instructions for submitting written comments will be posted at <http://www.rggi.org> by October 26, 2007. The comment period will extend to November 15, 2007.
