

# Regional Greenhouse Gas Initiative

an Initiative of the Northeast and Mid-Atlantic States of the U.S.

## Save the Date: October 11, 2011

### WHAT:

On behalf of the nine states participating in the second Regional Greenhouse Gas Initiative (RGGI) compliance period, RGGI, Inc. is holding a ***Learning Session on Electricity Markets and Electricity Imports***.

### WHEN:

Tuesday, October 11, 2011, 10:00 AM-3:00PM

### WHERE:

90 Church Street, 4th Floor, New York, NY 10007 (Between Vesey and Barclay streets)

### PURPOSE:

RGGI participating states are continuing preparations for the 2012 program review called for in the RGGI Memorandum of Understanding (MOU). As the MOU specifies, program review will be a comprehensive evaluation to include program successes, program impacts, program operations, additional reductions, imports and emissions leakage, and offsets.

The learning sessions provide independent expert analysis on topics that the states may address in the program review. The ***Learning Session on Electricity Markets and Electricity Imports*** will solicit information from experts and comments from stakeholders on electricity markets and electricity imports in power sector CO<sub>2</sub> emissions trading programs.

### PRE-REGISTRATION:

The meeting is open to the public, but registration is required. Please register by email to [info@rggi.org](mailto:info@rggi.org) by 3PM, October 10, 2011.
