

Regional Greenhouse Gas Initiative

an Initiative of the Northeast and Mid-Atlantic States of the U.S.

Save the Date: January 24, 2012

Learning Session on Flexibility Mechanisms

WHAT:

On behalf of the participating states in the second Regional Greenhouse Gas Initiative (RGGI) compliance period, RGGI, Inc. is holding a ***Learning Session on Flexibility Mechanisms***.

WHEN:

Tuesday, January 24, 2012, 10:00 AM-4:00PM

WHERE:

90 Church Street, 4th Floor, New York, NY 10007 (Between Vesey and Barclay streets)

PURPOSE:

RGGI participating states are supporting the 2012 program review called for in the RGGI Memorandum of Understanding (MOU). As the MOU specifies, program review will be a comprehensive evaluation to include program successes, program impacts, additional reductions, imports and emissions leakage, and offsets.

The Learning Sessions provide independent expert analysis on topics that the states may address in the program review. The ***Learning Session on Flexibility Mechanisms*** will solicit information from experts and comments from stakeholders on flexibility mechanisms such as offsets and cost containment allowance reserve pools.

For more information on program review, please visit http://www.rggi.org/design/program_review

PRE-REGISTRATION:

The meeting is open to the public, but registration is required. Please register online at: http://www.rggi.org/design/program_review/Jan-2012-Reg?view=form by 5:00 PM, January 20, 2012.
