

Regional Greenhouse Gas Initiative

an Initiative of the Northeast and Mid-Atlantic States of the U.S.

STAKEHOLDER WEBINAR: JANUARY 8, 2013

AGENDA & LOGISTICS

On behalf of the states participating in the Regional Greenhouse Gas Initiative (RGGI), RGGI, Inc. will facilitate a **Stakeholder Webinar** on program review on January 8, 2013.

WHEN:

Tuesday, January 8, 2013, 1:00 PM-3:00 PM ET.

PURPOSE:

The RGGI states are continuing the 2012 program review called for in the RGGI Memorandum of Understanding (MOU). Program review is a comprehensive evaluation that is part of the RGGI states' continued commitment to the environmental integrity of the RGGI program and the long-term development of the RGGI market.

To support program review, this meeting will solicit stakeholder input on IPM potential scenarios modeling, sensitivity analyses of potential scenarios, and customer bill analysis. These analyses, along with other information gathered throughout 2012 and 2013, will be considered to support evaluation of any potential modifications to the RGGI program. For more information on program review, visit http://www.rggi.org/design/program_review.
