

11/30/2016

Dear Governors and RGGI Board Members,

The following 4,713 people have signed onto the following comments by the Sierra Club via an online petition:

“Thank you for continuing to lead the Nation by strengthening and extending the popular and successful Regional Greenhouse Gas Initiative. Your efforts are needed now more than ever to demonstrate that bipartisan progress to reduce climate-disrupting pollution, create jobs, and save families and businesses money by investing in a prosperous clean energy economy will continue in the Northeast.

I urge you to finalize a future for RGGI that keeps our state on track to meet our climate commitments, reducing pollution at least 5% annually from 2020 levels through 2030.”
