**APPROVED G & C**  
DATE 12/18/2024  
ITEM # 101A

**REQUESTED ACTION**

Authorize the Department of Environmental Services (NHDES) to enter into a **SOLE SOURCE** contract with the Regional Greenhouse Gas Initiative, Incorporated (RGGI, Inc.), New York, NY (VC #168622 B001) in the amount of \$375,000 to continue providing technical and administrative services for implementation of the New Hampshire Carbon Dioxide (CO<sub>2</sub>) Budget Trading Program, including administering a web-based emission and allowance tracking system, effective upon Governor and Council approval through December 31, 2027. 100% Other Funds (NH CO<sub>2</sub> Budget Trading Program Fund)

Funding will be available in the account as follows:

	<u>FY 2025</u>	<u>FY 2026</u>	<u>FY 2027</u>	<u>FY 2028</u>	<u>Total Amount</u>
03-44-44-443010-9106-102-500731	\$62,500	\$125,000	\$125,000	\$62,500	\$375,000
NH CO <sub>2</sub> Budget Trading Program Fund					

**EXPLANATION**

The reason for this contract with RGGI, Inc. is to continue the NH CO<sub>2</sub> Budget Trading Program in accordance with RSA 125-O:20-29. This is a sole source contract because there is no other entity that can provide the necessary services to the State of New Hampshire. RSA 125-O enables NHDES to enter into an "arrangement with the representatives of other states, including the formation of a for-profit or non-profit corporation" to assist in the administration of RGGI. RGGI, Inc. is a non-profit corporation created to provide technical and administrative services to the CO<sub>2</sub> budget trading programs of the participating states. Because RGGI, Inc. was formed to serve no other purpose than to administer the RGGI program on behalf of the participating states, it does not have any other source of operating revenues to develop and conduct all the necessary administrative functions needed by New Hampshire to meet the requirements of RSA 125-O:20-29. The contract with RGGI, Inc. is for ongoing administration of the program through 2027.

Pursuant to state law, RSA 125-O:20-29, NHDES is required to sell a majority of New Hampshire's allowances in regional auctions. Over the first 64 auctions conducted since September 2008<sup>1</sup>, New Hampshire has generated total revenues of \$329,426,173 from the sale of 60,460,729 allowances. Most

<sup>1</sup> New Hampshire began offering allowances at Auction #2 in December 2008

of the auction proceeds are rebated to ratepayers. A portion of the proceeds, excluding the amount used for administration, are placed in the Energy Efficiency Fund and then allocated to the utility core programs. As provided by the statute, a portion of the fund monies are also used to pay for a regional organization to assist in the administration of RGGI. Each state has committed to paying its state's portion of RGGI, Inc.'s costs from the revenues generated from the sale of allowances. As indicated in the original contract, New Hampshire will not be responsible for any RGGI costs if adequate revenues are not generated by the sale of allowances.

This contract has been reviewed and approved by the Department of Information Technology. This contract has been approved as to form, substance, and execution by the Office of the Attorney General. In the event that Federal funds become no longer available, general funds will not be requested to support this program.

We respectfully request your approval.

  
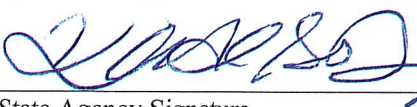

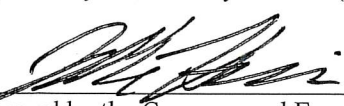

Robert R. Scott, Commissioner

In no event shall the State be liable for any payments hereunder in excess of such available appropriated funds. hereof, and shall be the only and the complete compensation to the Contractor for the Services.

5.3 The State reserves the right to offset from any amounts otherwise payable to the Contractor under this Agreement those liquidated amounts required or permitted by N.H. RSA 80:7 through RSA 80:7-c or any other provision of law.

5.4 The State's liability under this Agreement shall be limited to monetary damages not to exceed the total fees paid. The Contractor shall also comply with all applicable intellectual property laws.

6.2 During the term of this Agreement, the Contractor shall not discriminate against employees or applicants for employment because of age, sex, sexual orientation, race, color, marital status, physical or mental disability, religious creed, national origin, gender identity, or gender expression, and will take affirmative action to prevent such discrimination, unless exempt by state or federal law. The Contractor shall ensure any subcontractors comply with these nondiscrimination requirements.

6.3 No payments or transfers of value by Contractor or its representatives in connection with this Agreement have or shall be made which have the purpose or effect of public or commercial bribery, or acceptance of or acquiescence in extortion, kickbacks, or other unlawful or improper means of obtaining business.

8.2.1 give the Contractor a written notice specifying the Event of Default and requiring it to be remedied within, in the absence of a greater or lesser specification of time, thirty (30) calendar days from the date of the notice; and if the Event of Default is not timely cured, terminate this Agreement, effective two (2) calendar days after giving the Contractor notice of termination;

8.2.2 give the Contractor a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the contract price which would otherwise accrue to the Contractor during the period from the date of such notice until such time as the State determines that the Contractor has cured the Event of Default shall never be paid to the Contractor;

9.2 In the event of an early termination of this Agreement for any reason other than the completion of the Services, the Contractor shall, at the State's discretion, deliver to the Contracting Officer, not later than fifteen (15) calendar days after the date of termination, a report ("Termination Report") describing in detail all Services performed, and the contract price earned, to and including the date of termination. In addition, at the State's discretion, the Contractor shall, within fifteen (15) calendar days of notice of early termination, develop and submit to the State a transition plan for Services under the Agreement.
