Website Information Terms of Use

The information and documents provided on or made available through this website (the "Information") are provided or made available for informational purposes only and on an "as is" basis. Neither Regional Greenhouse Gas Initiative, Inc. ("RGGI Inc.") nor any of the states which participate in the Regional Greenhouse Gas Initiative ("RGGI") make any representation or warranty, express or implied, with respect to the Information, including, without limitation, any representation or warranty as to the accuracy, timeliness or completeness of the Information. Any individual or entity who uses or relies on any Information does so at their own risk.

Neither RGGI Inc. nor any of the states which participate in RGGI have any liability for any inaccuracies, errors or omissions included in the Information. Except as may otherwise be required by law, RGGI Inc. and the states which participate in RGGI have no obligation to provide any individual or entity with access to any additional information concerning the Information or to update, supplement or correct any of the Information.

To the maximum extent provided by law, neither RGGI Inc. nor any of the states which participate in RGGI have any liability, including, without limitation, any liability for direct, special, punitive, indirect or consequential damages (including, without limitation, for lost business or profits), related to, arising from or connected with any direct or indirect use of or reliance on the Information by any individual or entity.
